The game was first released in Japan in October 2013, and was later released in North America and Europe in February 2014. Awakening features a revamped version of the game engine used in Fire Emblem: The Binding Blade, allowing for a more realistic portrayal of human features than in The Binding Blade. The story revolves around a young boy named Hoshigaki, and his journey to defeat the evil empire of Grima and restore his kingdom. A tie-in novel, Awakening: The Dawn of a New Day, was released by PQube. The game's theme song, "The Birth of Awakening", was performed by Ruroni Kenshi and composed by Yuka Uchiyae and Shunsuke Suzuki. After the events of Awakening, a sequel, Fire Emblem Fates, was released for the Nintendo 3DS. Awakening is a critical and commercial success, being the best-selling game on the 3DS in its first week of release, being the best-selling game of the year in Japan and being the third best-selling game in the US. Contents Plot Spoiler warning: This article or section contains plot elements that may not be mentioned. Awakening begins with the birth of Hoshigaki, the game's protagonist, and the awakening of the Kingdom of Hoshigakure. After the birth, Hoshigaki is separated from his mother and placed under the care of a clan of soldiers of the Grima Empire who lost their king, Hoshigaki's father. Hoshigaki grows up with the clan as a family. In the years that follow, as he learns more about the world around him, Hoshigaki joins with other children to form the mercenary group the Awakening Brigade and begins to fulfill his destiny to defeat Grima and restore Hoshigakure to its former glory. Characters Overview Awakening features a cast of 36 characters and contains a total of 80 recruitable characters. To recruit a new character, the player must complete sidequests or obtain the Afterworld, a bonus card which unlocks certain scenarios and characters. In order to fully recruit all of the characters, the player must unlock a total of 82 characters with a variety of methods. The player's character, Hoshigaki, is accompanied by three other supporting characters: Rui, Takumi and Donnel. All characters have separate stories and goals, and can join the party at any time the player desires. Each character has a 82157476af
